Permit Acknowledgements

By my signature and under penalty of perjury, I hereby certify that I am the owner of the referenced property, or the owner’s authorized agent. I have read and examined this application and know the same to be true and correct. All provisions or laws and ordinances governing this type of work will be complied with, whether specified herein or not. The issuance of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction, or guarantee issuance of a well or septic permit.

This permit will become null and void if work or construction authorized is not commenced within 180 days, unless prior authorization has been issued by this office.

It is the Owner/Agent's responsibility to ensure that all required inspections have passed prior to moving forward with the next phase of construction.

It is the Owner/Agent's responsibility to read all plan review comments and ask questions if something is unclear. All approved plans must be onsite for all inspections. Failure to comply with these requirements may result in a \$50 fine.

I understand that occupying this structure prior to obtaining a Certificate of Occupancy is in direct violation of Wyoming State Statute and governing laws. Failure to comply may result in a \$750 fine with each day of occupancy being a separate offense.

The Applicant, his Agents and Employees shall comply with all the rules, restrictions and requirements of Laramie County Land Use Regulations and Laramie County Building Codes governing location, construction and erection of the above proposed work for which the permit is granted.

The Building Official or his agents are authorized to order the immediate cessation of construction at any time a violation of the codes or regulations appears to have occurred. Violation of any of the codes or regulations applicable may result in the revocation of this permit.

Buildings must conform with plans as submitted to the Laramie County Planning & Development Office. Any change of plans or layout must be approved prior to the changes being made.

Any change in the use or occupancy of a building or structure must be approved prior to proceeding with construction.

Owner/Agent shall be notified via Email that the permit has been issued.
