

Minutes of the Proceedings
Laramie County Planning Commission
Prepared by the Laramie County Planning & Development Office
Laramie County Wyoming

Thursday, July 08, 2010

- 100708 00** Those in attendance were Commissioner Jody Clark, Chairman; Commissioner Paula Qualls, Vice Chairman; Commissioners Frank Cole, Bert Macy; Planning & Development Director Gary Kranse; Senior Planner Abby Yenco; and Recording Secretary Nancy Trimble.

The meeting register was signed by: Brett Walker, Cheyenne Development Office.

- 01** Abby Yenco, Senior Planner, presented the fee schedule for re-adoption. She stated that the fees are reviewed every July to verify the costs incurred for representing Laramie County residents are being covered. Ms. Yenco explained that no changes have been proposed on these fees. She then gave a summary of the total fees collected from July 1, 2009 through June 30, 2010, and that \$9,000 of those fees were recovered on engineering review fees.

Commissioner Cole objected to the fact that the 45-day rulemaking rule was not followed on this proposed re-adoption. Gary Kranse, Director of Planning & Development, responded that at the fee adoption proceedings one year ago, the 45-day rulemaking rule was followed, and at that meeting it was motioned and approved that in the future, the fee schedule would be brought before the commissions for approval on an annual basis. No requirement was made in the original regulation to require the state rulemaking process.

Commissioner Qualls motioned to re-adopt the fee schedule for fiscal year 2011; Commissioner Macy seconded the motion. The motion was passed 3-1.

The meeting was adjourned at 3:40 pm.
