### **Laramie County Commissioners Condemn SPAM Messages Sent to Community Regarding Horse Racing at CFD**

**LARAMIE COUNTY, WY-** The Laramie County Commissioners are speaking out against the SPAM text messages many of our community members have received regarding live horse racing at Frontier Park. These messages were not sponsored or approved by the Laramie County Commissioners, Cheyenne Frontier Days or the applicant seeking approval for the activity. The proposal does not contain any discussion of eminent domain or using tax dollars of any kind on the facility to conduct horse racing.
