

LARAMIE COUNTY GOVERNMENT

TITLE Performance Evaluations	APPROVAL DATE 8/15/1995
SECTION Employment	REVISION DATE 12/20/2016

Employees may receive annual evaluations. Evaluation dates are based upon hire date or date in most recent position, which ever occurred later. In the event of a transfer or promotion, an evaluation date may be reset.

At times, compensation may be received as a result of evaluation scores. Any compensation received is based up on the annual County budget and is not effective until the first full pay period of the month following the evaluation due date. An employee must be employed at the time of the effective date in order to receive any related compensation.

Evaluation determined compensation is not an accrued benefit.
